

Share our dreams to enrich the community

The Hong Kong Jockey Club is one of the largest racing organisations in the world. It is Hong Kong's only authorised operator of horse racing as well as regulated football betting, and also operates the Mark Six lottery.

The Club's maxim of "Racing for Charity" is realised through a unique, not-for-profit business model whereby its surpluses go to charitable and community projects. Through the past decade, the Club has donated an average one billion Hong Kong dollars every year to hundreds of charities and community projects. It also contributes to the public purse as the largest single taxpayer in Hong Kong, contributing an average of HK\$12 billion a year, and is one of the city's largest employers, with some 24,000 full- and part-time staff.

Our Vision

To be a world leader in the provision of horse racing, sporting and betting entertainment, and Hong Kong's premier charity and community benefactor.

Our Mission

To provide total customer satisfaction through meeting the expectations of all Club customers and stakeholders - the racing and betting public; lottery players; Club Members; charity and community organisations; Government; and, ultimately, the people of Hong Kong - and thereby be one of Hong Kong's most respected organisations.
